Session: Northampton away

### Period 1

### Period 2

After an initial poor start to the game, we started to dominate and out-muscle Northampton for the rest of the game.

Sam Alderton's excellent set pieces were a constant threat and he scored 2 fantastic direct free kicks.

A make-shift back line looked strong throughout and Josh was very sharp when he was introduced after an hour.

16s are now unbeaten in 10 games.
