

# IMPROVE EXAM RESULTS

with the worlds most accessible  
session planning software

sportsessionplanner

What is [www.SportSessionPlanner.com](http://www.SportSessionPlanner.com)?

## SportSessionPlanner is an on-line resource for coaches and trainee coaches

### How will it help?

A key part of many Sports Qualifications in schools is being able to plan and execute a sports session effectively. Students can now plan and prepare 3D session plans and make their coursework more professional and have fun at the same time!

**GCSE Physical Education**  
(Personal Exercise Programme)

**BTEC Level 2**  
(Unit 7-Planning and Leading Sports Activities)

**JSLA**  
(Prepare and deliver sport sessions)

**CSLA**  
(Prepare and deliver sport sessions)

### What is special about it?

- Teachers can manage and review students' coursework.
- Schools can build up their own session library allowing students to save and share sessions.
- Students can bring their sessions to life using exciting 3D graphics and create them at school or at home.

“ I have been Director of Sport in a successful Secondary School and also coached at Liverpool Football Club's Academy for the last 10 years. I was frustrated with the lack of high-quality session-planning software. [www.SportSessionPlanner.com](http://www.SportSessionPlanner.com) is my solution to the problem. ”
