

The Session Planning Revolution for Pro-Clubs and Academies

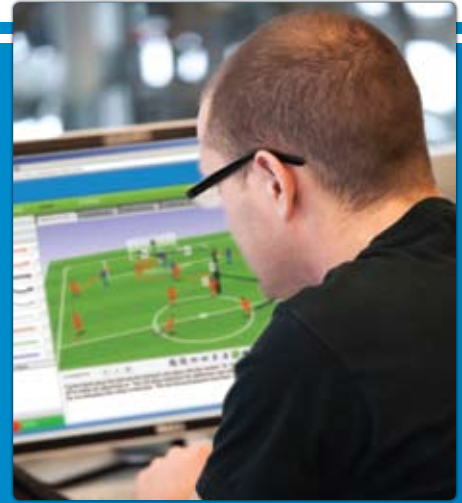

sportsessionplanner

What is www.SportSessionPlanner.com?

SportSessionPlanner is an on-line resource for coaches and managers

How will it help?

- Make more effective sessions plans in less time
- File sessions efficiently and locate them easily
- Manage club coaches' accounts and their sessions
- Have a common library of coaches' sessions for your club

What is special about it?

- Easy to use: coaches can create their first session within a few minutes
- 3D sessions show the pitch view, angle and zoom to instruct players most effectively
- Coaches can build sessions from a library of drills and customise them as needed
- Sessions can be shared in the Club library, Public library, exported to Club's web site, e-mailed, printed or projected for 3D interactive demonstrations

CREATE

- Quick & Simple to design sessions
- Full use of 3D technology
- Design Multi-progression sessions
- Customise player kits
- Re-edit, improve and adapt

SHARE

- Keep sessions private
- Share them with your club
- Share them with the community
- E-mail sessions as PDF files
- Post them on your own website

PRESENT

- View sessions in Interactive 3D
 - Full Screen presentation
- 'Scribble-board' pen annotations
- Full navigation around pitch
- Zoom-in and out of action

ORGANISE

- Categorise & Store
- Clone Sessions
- Progression Pick 'n' Mix
- Search & Sort Tools
- Session Library, Current Sessions, My Sessions

MANAGE

- Club management dashboard
- Add and remove coaches
- Unlimited free Club Admin Accounts
- Monitor coach activity
- Club branding for coaches' profiles and sessions

“ Not *just* a great session planning tool. Also a session filing, building, sharing, cloning, time-saving and management tool! ”

The 3D Session Creator makes learning fun...

...and designing simple

Coach Benefits

- Create multi-progression 3D Session Plans
- Customisable kits, pitch lines, textures and lots more
- Build sessions based on existing drills
- Clone sessions
- Categorise by subject and skill level
- Searchable session libraries of own, Club and public sessions
- Keep sessions private, or share within Club or with all Members
- 3D Session Viewer
- Full-screen mode for presentations
- Pro-Club coaches get extra ranking points

Club Benefits

- Add and remove coaches from the Club
- Monitor sessions created by each coach
